

Roadmap:

The screenshot displays the Jira Software Roadmap interface. The browser's address bar shows the URL: `pnt2022tmid46191.atlassian.net/jira/software/projects/IBSGFCMN/boards/1/roadmap?timeline=MONTHS`. The Jira header includes navigation links like 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps', along with a search bar and a 'Create' button.

On the left sidebar, the project 'lot based safety gadget...' is selected, with the 'Roadmap' view active under the 'PLANNING' section. Other options include 'Backlog', 'Board', 'Reports', and 'Code' under 'DEVELOPMENT'. A note at the bottom of the sidebar states: 'You're in a team-managed project. Learn more'.

The main area is titled 'Roadmap' and shows a timeline view for the months of October (OCT), November (NOV), and December (DEC). A single sprint is visible, labeled 'IBSGFC...', spanning across the months. Below the sprint, there is a '+ Create Epic' button. The timeline view includes tabs for 'Today', 'Weeks', 'Months' (which is currently selected), and 'Quarters'.

The Windows taskbar at the bottom shows the system clock as 22:58 on 07-11-2022, along with various application icons and a search bar.
